# Discord 101

How to use the Discord?

Step 1: Go to the name-change channel and read the instructions of the bot.

Step 2: Fill in your name in format [First Name] [Last Name] **(without the brackets)**

Step 3: You will get a private message from the bot saying:

"I've changed your name on the server. You're welcome!"
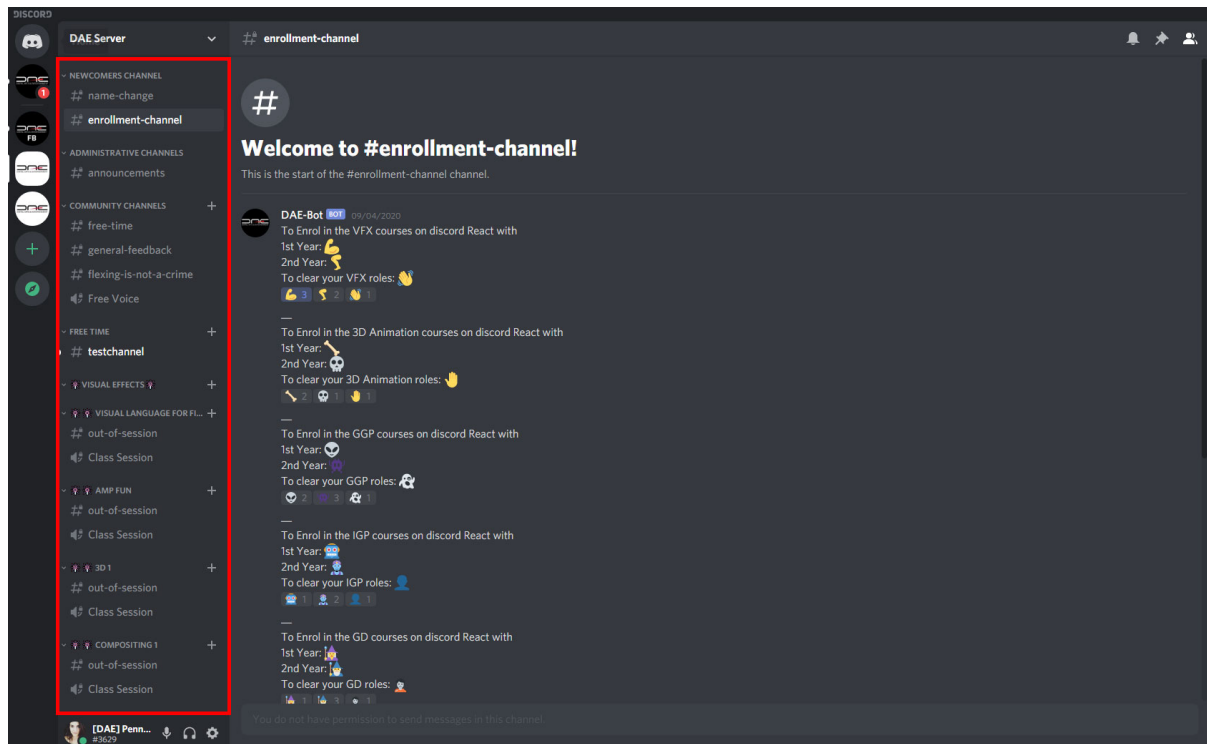

Step 4: Go to the DAE server again.

Step 5: Open the Enrolment-Channel

Step 6: Click on the reaction that applies to your curriculum.

Step 7: The bot will send you another message confirming your enrolment.

Now you have access to all the channels you've enrolled to.

Link for those who left the server or still have to enroll in it:
